

Pastoral Care Policy

Rationale

Cardijn College has adopted the following Policy in line with the Catholic Education SA Pastoral Care in Catholic School Communities. Pastoral care is based on a deep respect for the dignity and uniqueness of the individual person who is made in the image of God. These characteristics find expression in the College's school structures, policies, programs and services that build inclusive, supportive and caring relationships with the Cardijn community. Cardijn College aspires to be faithful to the call of the Gospel such that justice, compassion and reconciliation are evident in the life of the College.

Policy Statement

Cardijn College:

- Recognises the dignity of the human person made in the image of God
- Contributes to a welcoming and inclusive community
- Recognises that quality relationships are pivotal
- Recognises the importance of compassion and reconciliation
- Fosters a network of care
- Respects and supports diverse family structures
- Values different cultural perspectives and traditions
- Provides contemporary teaching and learning
- Provides opportunities for the development of pastoral care
- Commits to organisational structures that benefit individuals and the College community.

Responsibilities

The School Board will:

- develop, monitor and review the Policy in accordance with legal requirements and the Church's teachings
- allocate resources to facilitate ongoing training and support for pastoral care education and programs.

The School Leadership will:

- ensure that the dignity of the human person made in the image of God is contextualised through all educational programs
- ensure that the College is a welcoming and inclusive place to all staff, students, families and visitors
- ensure that school structures, processes and procedures are aligned with this policy
- provide a contemporary teaching and learning environment

Date approved: April 2016

Date of next review: April 2019

Related Policies:

CARDIJN

COLLEGE

- commit to the development of pastoral care through a range of programs and whole school or House activities
- ensure that all students are case managed individually through school structures and processes
- ensure that specialist services are provided to support students and staff in the area of pastoral care and well-being

The School Personnel will:

- treat children with dignity and respect, act with propriety, provide a duty of care and protect children in their care
- promote models of behaviour and relationship based on mutual respect, consideration, compassion and reconciliation
- ensure that they contribute to the College as a welcoming and inclusive place for all staff, students, families and visitors
- implement the pastoral care policy, processes and procedures with care and consideration
- support whole school and House pastoral care activities and programs
- participate in training and development opportunities which provide knowledge and skills in the area of pastoral care and well-being

The Students will:

- treat all members of the Cardijn community with dignity and respect, act with propriety and adhere to the school code of conduct
- ensure that they contribute to the College as a welcoming and inclusive place to all staff, students, families and visitors
- support whole school and House pastoral care activities and programs
- participate in educational opportunities to develop a richer understanding of the manner in which we all provide pastoral care to members of our community

The Parents will:

- support the Pastoral Care Policy
- recognise that education at Cardijn College is a partnership between the family and the school
- recognise that the whole school implementation of pastoral care is based on the principles outlined in the policy statement above
