Attendance Policy

Rationale
At Cardijn College we believe that students need to attend school regularly and to participate fully in their learning in order to gain maximum benefit from their schooling. Regular attendance enables students to access a full education, providing greater opportunity to reach their full potential. School staff will encourage and emphasise attendance and punctuality.

The Education Act (1972) requires that children of compulsory school age 6 - 17 years are enrolled at and attending school. Once a child is enrolled, they are required by law to attend school. The responsibility for meeting this legal requirement rests with the parent/caregiver.
