# Cardijn College Houses

- There are eight Houses at Cardijn College, each named after a patron and with a distinctive colour, motto and a mascot.
- While we are a large campus, through our House system we ensure that our students feel a deep sense of belonging and that they are 'known and loved.'
- In their Houses, students engage in pastoral care as well as a number of activities, celebrations and fundraising initiatives throughout the year.

# Cardijn College Houses

- Students are grouped in vertical homerooms. Homerooms are made up of 7,8,9 and then 10,11,12 to enhance connectedness between students of different year levels.
- Each House has a Middle Years House Leader and a Senior Years House Leader who will oversee the students in their House, in addition to the Homeroom teachers.
