

CARDIJN COLLEGE

MARIAN CAMPUS

2026 SUBJECT SELECTION

YEAR 11

Current Year 10

Student Name: _____

House and Homeroom Teacher: _____

This form contains 3 parts:

1. **Planning** – investigate and plan the subjects you want to undertake at Year 11
2. **Subject Preferences** – speak with current teachers / Curriculum Leaders about their recommendations for you to undertake these subjects
3. **Subject Counselling Appointment** – ensure this form is filled out and bring it to your appointment

Subject Counselling Appointments will occur on Monday September 1st, Week 7, 4:00pm – 7:00pm.

Booking information will be provided to families.

Students will enter web choices into Edval at this time.

PART 1: PLANNING

This section is to be completed prior to your Subject Counselling Appointment.

The selection of subjects for Year 11 (Stage 1) is an important and significant decision. Students are encouraged to consult with relevant support staff and resources at the College to assist you in making your choices. You will have already done some future planning as part of EIF and Thrive. It is important to consider subject choices that align with your strengths, interests, and future goals.

- Curriculum Leaders – see list on next page

IMPORTANT – PLEASE ANSWER THESE QUESTIONS:

Have you undertaken (and completed) any VET training in Year 10? If so, which course and qualification did you obtain?

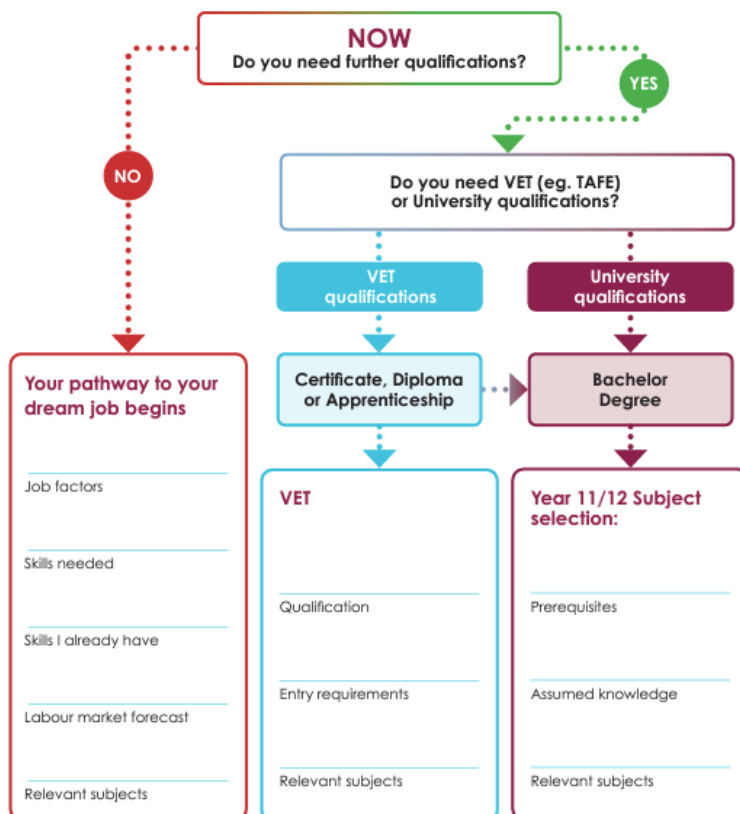

What are your current post-school plans and pathways?

- ☐ University (undergraduate study)
- ☐ Vocational training
- ☐ Employment
- ☐ Other

Provide some more details, e.g. specific University courses, occupations, fields of study:

Are there any pre-requisites or assumed knowledge for your potential University courses?

If you are interested in a VET Course (onsite or external), you must complete an Expression of Interest form before speaking with Mr Kempson. Access the form using the QR code here:

An overview of VET courses offered (onsite at Marian Campus, external or supported through Marcellin Campus) is available via the College website.

SACE REQUIREMENTS:

To successfully meet the requirements of the SACE, students must complete at least 10 credits (1 semester) of Numeracy and 20 credits (2 semesters) of Literacy at Stage 1. These come from the Mathematics and English choices at Year 11.

English Options

- Essential English
- English

Mathematics Options

- Essential Mathematics
- General Mathematics
- Mathematical Methods A – this should be taken in conjunction with Mathematical Methods B (Semester 1) and Mathematical Methods C (Semester 2), with the option to take Specialist Mathematics in Semester 2

Depending on your Mathematics selections, you will now have between FOUR and SIX free choice preferences.

Example 1:

Semester One		Semester Two		Student wants to undertake Essential English and Essential Maths. They are not planning to do Maths at Year 12, so they only pick a semester of Maths. They have 6 'free choice' subjects. They would like to do Biology and Food at Year 12, so have picked these for the full year.
1	Religious Education	1	Religious Education	
2	Thrive	2	Thrive	
3	Essential English	3	Essential English	
4	Essential Maths	4	AIF	
5	Food & Hospitality	5	Food & Hospitality	
6	Biology	6	Biology	
7	Visual Arts: Art	7	Fashion Design	

Example 2:

Semester One		Semester Two		Student wants to undertake Math Methods (A, B, C). They have 4 'free choices' left. The University course they are interested in has a prerequisite of Physics at Year 12, so it would be good to do this at Year 11. They would also like to do Nutrition at Year 12, so have picked this for a semester.
1	Religious Education	1	Religious Education	
2	Thrive	2	Thrive	
3	English	3	English	
4	Math Methods A	4	AIF	
5	Math Methods B	5	Math Methods C	
6	Nutrition	6	Specialist Maths	
7	Physics	7	Physics	

All Year 11 students will be automatically enrolled in AIF for a semester. This is a compulsory component of the SACE and students must achieve a C- grade or higher.

All Year 11 students will automatically be enrolled in Religious Education and Thrive for the full year, as these are compulsory subjects at Cardijn College.

PART 2: SUBJECT PREFERENCES

This section is to be completed **prior** to your Subject Counselling Appointment.

Consult with the Cardijn College Curriculum Guide (<https://www.cardijn.catholic.edu.au/senior-school-curriculum-guide>) for detailed information about each subject. It is your responsibility to read about and understand the requirements of each subject.

INSTRUCTIONS:

- Plan out your subject preferences below, including **TWO** reserve preferences
- Subjects must be chosen in order of preference – this means that preference 1 is the subject you **MOST** want to do
- If you want to do a subject for a full year, ensure you list this twice (as it takes up two preferences) and then select the 'Full Year' option in Edval
- You are not able to select a specific semester in which to undertake a subject
- You need to obtain a signature from your current teacher in the subject, or the Curriculum Leader, in support of your choice
